

Satisfy Patients with **Interactive** TVs

GENiO™ allows you to customize your patient experience, today and tomorrow.

About GENiO

With GENiO you choose the content that matters most. You can customize your patient engagement experience, affordably and easily.

Why Choose GENiO?

Provide comfort and distraction to patients by providing an engaging entertainment experience.

- Customize your screens to fit your needs
- Cloud-based and no on-site server required
- Guaranteed installations and flexible pricing options

Deliver a Custom Patient Experience

Workflow

Improve staff workflow through increased communication with patients using remote messaging. Survey patients & measure instant results.

Education

Consistently educate patients and market your brand & services, like Telehealth.

Capatibility

Backwards compatible to many existing PDi TVs having built-in keyboard and camera/mic. Available on medTAB® Smart personal patient touch screen TVs and A-Series Smart hospital TVs by PDi.
